**RE: Request for Information Pursuant to 104(e) of CERCLA  
Newtown Creek Superfund Site  
Kings County and Queens County, New York  
430 Maspeth Avenue, Brooklyn, NY Site**

Dear Mr. Mintzer:

In response to your September 16, 2013 Request for Information (RFI) letter regarding the Newtown Creek Superfund Site, YRC Freight (YRC) has had prepared and is submitting for your review YRC's response to the referenced Request for Information letter as it relates to a property located at 430 Maspeth Avenue, Brooklyn, NY, which was identified as a YRC facility in your RFI letter. A full and thorough search for documents and information was conducted and the attached report prepared by ARCADIS, dated November 18, 2013, presents the findings.

As you will see, YRC was not able to verify previous ownership or leasing of this facility. Other than a couple of maps from the Real estate file for 1313 Grand Street (separate submittal), no additional information was found beyond the information included in a letter from the Newtown Group, which I believe you already have.

If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

Ruben D. Byerley
